

# GRADUATE SCHEME

## Lecturer & Apprenticeship Trainer

East Kent Colleges Group is delighted to launch a Graduate Scheme for new Graduate Lecturer and Graduate Apprenticeship Trainer roles.

Starting in October 2024, the scheme gives candidates a chance to not only impart their newly gained skills to the next generation through teaching and assessing, but you will receive **FREE** Teacher and Assessor Qualifications worth thousands of pounds.

Most importantly, you'll gain industry experience with one of our partner organisations in your chosen sector. Specialists from our partner organisations are not only willing to offer placements to enhance your experience for future opportunities, but insist that holding Teacher and Assessor Qualifications gives an advantage to candidates entering the sectors. These qualifications are fully funded and included within the EKCG Graduate Scheme.

### DETAILS OF THE ROLE:

- Full-Time position: 37 hours per week
- 3 Days teaching within your field
- 1 Day Teacher Training (Graduate Lecturer position)
  - Fully funded Level 5 Learning and Skills Teacher Qualification worth £7000
- 1 Day Assessor Training (Graduate Apprenticeship Trainer position)
  - Fully funded Level 3 Learning and Skills Assessor Qualification worth £5000
- 1 Day with one of our partner organisations gaining industry experience in your chosen sector.

We are welcoming applications from graduates at Level 3 & above, including Apprenticeships & Higher Education Degrees, specifically in the following sectors;

- Engineering
- Electrical
- Plumbing
- Other Construction areas
- Computing

If you are nearing the end of your studies and interested in taking your first steps into industry, whilst supporting the next generation of professionals, we want to hear from you!

Proud to work in collaboration with:
